E-100
Portable Interactive Whiteboard

Surface Independent

It can convert your existing Whiteboard, your projection screen and even your wall into a fully functional interactive whiteboard in under 10 seconds with up to 1400mm to 2400mm screen size.

Portable & Secure

With its small size factor and wall mounting kit, E-100 is the most portable and secure interactive whiteboard.

Display-Independent Interactive solution

E-100 solution gives freedom to use any display for interactivity unlike traditional projector based interactivity solutions. E-100 provides an easy to use interactive solution.

Xiamen Interactive Technology Co.Ltd.
